

Singing the Journey

Harris Manchester College

Wednesday evening services

Hilary Term 2026

5.45pm in the college chapel

This term our Wednesday evening services mark the journey from New Year to Spring, with song, poetry, prayer and reflections both silent and spoken. We begin (21 Jan) with a service of reflection on the life and legacy of Rev Dr Martin Luther King Jr., mark Holocaust Memorial Day (28 Jan) with a programme of music and readings and on 4 Feb welcome HMC Fellow Rev Dr Colin Bossen to give the address. We will hold our annual LGBTQ+ History Month service on 11 Feb. The Ash Wednesday service will be led on 18 Feb by Dr Bethany Sollereder and our chaplain, Rev Dr Claire MacDonald, who will lead our service on 25 Feb, and on 4 March with Professor Claire Hind of York St John University, with a service on walking under dark skies. Our chapel services will close on 11 March with a service of reflection and song with music by our former Director of Music, James Whitbourn, who died two years ago, on March 12 2024.

Our theme this term, *Singing the Journey*, reflects the part that music – and especially song - plays in the life of chapel, through its choir and musicians. Our organ and piano music will be chosen by our organ scholar Alfred Kelsey and this term we will feature a new composition by choir member Riina Luha, as well as songs, hymns and psalm settings by Mark Miller, Amanda Ballard, Aaron Copland, Bob Chilcott, Orlando Gibbons, Herbert Howells, John Rutter, Peter Warlock, Ralph Vaughan Williams, Gerald Finzi, and James Whitbourn.
